

Part Number: 113A7002-17

Part Description: Aileron and Tab Assembly

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Ailerons                     |
| Part Number                  | 113A7002-17                  |
| Root Part Number             | 113A7002-XX                  |
| ATA Chapter 2 Digit          | 57                           |
| ATA Chapter 4 Digit          | 57-50                        |
| ATA Chapter 6 Digit          | 57-50-26                     |
| MFR / Manufacture -CAGE Code | Boeing                       |
| Application                  | B737- Classic                |

## Repair

|                      |                          |
|----------------------|--------------------------|
| Part Number          | 113A7002–17              |
| Description          | Aileron and Tab Assembly |
| Repair Manual- CMM   | CMM                      |
| Bench Check & Advise | Yes                      |
| Repair               | Yes                      |
| Overhaul             | Yes                      |
| Repair Facility      | Miami Lakes              |

## Logistics

|             |                          |
|-------------|--------------------------|
| Part Number | 113A7002–17              |
| Description | Aileron and Tab Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
