

Part Number: 65-46108-14

Part Description: Beam Assembly

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Assemblies                   |
| Part Number                  | 65-46108-14                  |
| Root Part Number             | 65-46108-XX                  |
| ATA Chapter 2 Digit          | 32                           |
| ATA Chapter 4 Digit          | 32-16                        |
| ATA Chapter 6 Digit          | 32-16-31                     |
| MFR / Manufacture -CAGE Code | Boeing                       |
| Application                  | Boeing                       |

## Repair

|                      |               |
|----------------------|---------------|
| Part Number          | 65-46108-14   |
| Description          | Beam Assembly |
| Repair Manual- CMM   | CMM           |
| Bench Check & Advise | Yes           |
| Repair               | Yes           |
| Overhaul             | Yes           |
| Repair Facility      | Miami Lakes   |

## Logistics

|             |               |
|-------------|---------------|
| Part Number | 65-46108-14   |
| Description | Beam Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
