

Part Number: 72N140-351

Part Description: Forward Fan Cowl Left Section

## **Specifications**

| Product Families:            | Nacelles                |
|------------------------------|-------------------------|
| Product Group:               | Fan Cowls               |
| Part Number                  | 72N140-351              |
| Root Part Number             | 72N140-XXX              |
| ATA Chapter 2 Digit          | 71                      |
| ATA Chapter 4 Digit          | 71-13                   |
| ATA Chapter 6 Digit          | 71-13-10                |
| MFR / Manufacture -CAGE Code | Pratt & Whitney         |
| Application                  | A330-A340 - (Dual Isle) |

## Repair

| Part Number          | 72N140-351                    |
|----------------------|-------------------------------|
| Description          | Forward Fan Cowl Left Section |
| Repair Manual- CMM   | CMM                           |
| Bench Check & Advise | Yes                           |
| Repair               | Yes                           |
| Overhaul             | Yes                           |
| Repair Facility      | Miami Lakes                   |

## Logistics

| Part Number | 72N140-351                    |
|-------------|-------------------------------|
