

Part Number: 740-0002-697

Part Description: Thrust Reverser Assembly

## Specifications

|                              |                  |
|------------------------------|------------------|
| Product Families:            | Nacelles         |
| Product Group:               | Thrust Reversers |
| Part Number                  | 740-0002-697     |
| Root Part Number             | 740-0002-XXX     |
| ATA Chapter 2 Digit          | 78               |
| ATA Chapter 4 Digit          | 78-30            |
| ATA Chapter 6 Digit          | 78-30-00         |
| MFR / Manufacture -CAGE Code | Goodrich         |
| Application                  | A320             |

## Repair

|                      |                          |
|----------------------|--------------------------|
| Part Number          | 740-0002-697             |
| Description          | Thrust Reverser Assembly |
| Repair Manual- CMM   | CMM                      |
| Bench Check & Advise | Yes                      |
| Repair               | Yes                      |
| Overhaul             | Yes                      |
| Repair Facility      | Miami Lakes              |

## Logistics

|             |                          |
|-------------|--------------------------|
| Part Number | 740-0002-697             |
| Description | Thrust Reverser Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
