

Part Number: 74D8007-1

Part Description: C-Duct Linear Hyd Actuator

## Specifications

|                              |                           |
|------------------------------|---------------------------|
| Product Families:            | Accessories               |
| Product Group:               | Engine Systems Accesories |
| Part Number                  | 74D8007-1                 |
| Root Part Number             | 74D8007-X                 |
| ATA Chapter 2 Digit          | 78                        |
| ATA Chapter 4 Digit          | 78-36                     |
| ATA Chapter 6 Digit          | 78-36-51                  |
| MFR / Manufacture -CAGE Code | Allied Signal             |
| Application                  | V2500                     |

## Repair

|                      |                            |
|----------------------|----------------------------|
| Part Number          | 74D8007-1                  |
| Description          | C-Duct Linear Hyd Actuator |
| Repair Manual- CMM   | CMM                        |
| Bench Check & Advise | Yes                        |
| Repair               | Yes                        |
| Overhaul             | Yes                        |
| Repair Facility      | Hialeah                    |

## Logistics

|             |                            |
|-------------|----------------------------|
| Part Number | 74D8007-1                  |
| Description | C-Duct Linear Hyd Actuator |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
