

Part Number: D5764000000400T

Part Description: Structure Complete-Aileron

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Ailerons                     |
| Part Number                  | D5764000000400T              |
| Root Part Number             | D5764000000XXXX              |
| ATA Chapter 2 Digit          | 57                           |
| ATA Chapter 4 Digit          | 57-61                        |
| ATA Chapter 6 Digit          | 57-61-21                     |
| MFR / Manufacture -CAGE Code | Airbus                       |
| Application                  | A320                         |

## Repair

|                      |                            |
|----------------------|----------------------------|
| Part Number          | D5764000000400T            |
| Description          | Structure Complete-Aileron |
| Repair Manual- CMM   | CMM                        |
| Bench Check & Advise | Yes                        |
| Repair               | Yes                        |
| Overhaul             | Yes                        |
| Repair Facility      | Miami Lakes                |

## Logistics

|             |                            |
|-------------|----------------------------|
| Part Number | D5764000000400T            |
| Description | Structure Complete-Aileron |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
